

KLOVE Christian radio is extremely important to my family in that it provides a constructive and positive outlet for our children who love music. KLOVE would be sorely missed if it were to be displaced by an LPFM broadcaster. I find KLOVE to be in the public interest because it is one of the very few positive alternatives on the radio waves that gives the public an outlet to get away from the openly aggressive, violent, and immoral secular music which populates the radio channels. Please do not replace the KLOVE signal with LPFM. Thank you.
